BRIEF ABSTRACT OF LETTER.

States with reference to G.O. No. 10663-4 ^{if in linked file} of 27.6.11 that the grant on account of bedding & clothing ^{med 235-10-} under "Supplies & Services" is also a contingent ~~ex~~ grant & that the Senior Surgeon is therefore competent to transfer grants from "Supplies & Services" to meet extra expenditure under "Contingencies" & enquires whether ^{by the G.O. it} is intended to restrict the Senior Surgeon's power in this respect.

(4) I am inclined to hold that
'Supplies Services' are not Contingencies
for purposes of the app. - Deficits for supplies
and services are definite enough - probably
as definite as Establishment or at all
events as Travelling Allowance, while
deficits under Contingencies are distributed
on rough calculation and the smallness
of the allotments to require re-app. of tenor.
Main to include the term 'Supplies and
Services' under Contingencies would be
to widen the powers of H. of Dep. which
is not contemplated by the rules.
The Comptroller's letter is based on the ruling
contained in the Madras Treasury Manual
which says "Contingencies including in
that term Supplies Services". but in our
rules the term used is Contingencies only.
Altho' the rules of audit & accounting is
the same for both they are yet separate
heads and tho' the term Contingencies
does not include Supplies Services and
